Day 2: Salzburg - Golling 35 km

You follow the course of the Salzach River and soon reach Hallein. The Salt Worlds were already closed in 1989 and can be visited in the public mine. The tireless cyclists can take a detour into the romantic valley of Bluntau. In today's destination of Golling you should schedule enough time to visit the legendary waterfall.

Day 3: Golling - Hallstatt/Bad Aussee 30 km + bus transfer

After breakfast you have a transfer with our bike shuttle to your next accommodation in Hallstatt, respectively Bad Aussee. In the afternoon you can take a round trip to the following lakes: Toplitzsee, Grundlsee as well as Altausseeer See.

Day 4: Hallstatt/Bad Aussee - Bad Ischl 40 km

You leave this magnificent region and always cycle alongside the beautiful Hallstättersee (lake). The majestic Dachstein massif, with its glacier fields, will accompany you for a long time and create a fabulous impression. Soon you reach Bad Goisern, where you can take a lunch break. Your destination for today is Bad Ischl, inseparably combined with the name of Emperor Franz Joseph, who always spent his summer days there. In any case you should visit the Kaiservilla and try a cake in the famous confectionary "Zauner".

Day 5: Bad Ischl – Altmünster/surrounding 50 km

A lovely round trip takes you to the lake Wolfgangsee, where you cycle via Strobl to St. Wolfgang. Take some time for a cup of coffee in the well-known hotel "Weißes Rößl". You take the ferry to the other side and cycle back to Bad Ischl. There you follow the river Traun until you reach Ebensee. Enjoy a glorious boat trip on the lake Traunsee. The ship brings you to Gmunden, where you should walk alongside the promenade. Only a short distance separates you from Altmünster.
