

Explore Ontario's Premier Cottage Vacation Destinations

Modeled on our original Pedal, Pints, and Pubs, the Collingwood-Blue Mountains version takes advantage of the area's delightful combination of natural beauty, cultural happenings, and unique shops and boutiques. Experience spectacular views of Georgian Bay from the Niagara Escarpment, enjoy local craft beer and apple cider, and enjoy some of the province's best cycling.

Day 1: Wasaga Beach/Collingwood 30 km

Day one begins with a van transfer from the Orillia area to Wasaga Beach to start our first ride segment. We will tackle the Wasaga Beach Dunes loop and see the parabolic dunes. For our second ride segment, we will make our way from Wasaga Beach to Collingwood for a late lunch, followed by our first beer tasting. Then we will check in at our Blue Mountain Lodges accommodations.

Day 2: Blue Mountains to Thornbury 27 km

Our first ride segment takes us from the Blue Mountain Resort area to Thornbury, mostly on crushed gravel bike path. After a break and a chance to poke around the shops, we will do a short loop ride north of Thornbury that does entail a little bit of climbing to get some spectacular views of Georgian Bay. Upon returning to Thornbury we will have a late lunch and a cider tasting.

Day 3: Blue Mountains to Collingwood 28 km

Today we will ride back into Collingwood and spend some time exploring the numerous bike routes, sites, and excellent parks throughout the city, including the Collingwood Arboretum. We will have lunch and our final beer tasting to end the day, and then transfer back to Orillia by about 3 pm to end the trip.

Note that routes are subject to change without notice based on local conditions and guide judgement.
