**Nepal – Best of Nepal Multi Adventure Tour (2017)**  
**Guided**  
**8 days / 7 nights**

A close encounter with mysticism, culture, history and the wild! A trip that offers an opportunity to explore temples and shrines of historical as well as archaeological interests in the medieval towns of Kathmandu valley. You will view sights that will take you back almost 300 years in time, where feudalism ruled the day until a single man called Prithvi Narayan Shah who thought differently and unified a whole nation; that began a lineage of kings until present day of Nepal. Added to this will be a blitz into Nepal's exotic wildlife at the Chitwan National park. You will get to see the massive one horned rhino, light footed deer, an elephant breeding center and the elusive tiger napping in the shade. After this trip, you will drive to Pokhara crossing through a lush, green field along Prithivi Highway. Your eyes will behold snowy mountain landscapes in the course of your drive. You will pass through little hamlets and villages on the way that will give you some deep insights into Nepal's rural lifestyles; until you finally reach Pokhara, a beautiful scenic lake town where nature is amplified with the views of majestic peaks almost at touching distance, clean water lakes with boating and canoeing thrills at your service. You will also see some natural wonders of nature in waterfalls and gorges and at dusk when the sun dips behind the mountains, glimpses of twilight lighten up the skies that herald the end of day. And as you slumber after a wonderfully tiring day; the sound of crickets gently put you into blissful sleep.....it's another day that will go into your diary.....a story for the generations to come. A memorable trip, that stays with you for a lifetime
