

Austria- Cycling in the Salzkammergut (2025)
Individual Self-guided
8 days / 7 nights

What could be more enjoyable than biking on the shore paths of the lakes and to let the soul 'flow' in a wonderfully unspoilt countryside? A tour through the Salzkammergut shows you the World Heritage Side of Hallstatt, the Emperor city of Bad Ischl and wonderful lakes and valleys. A wonderful cycle tour will be in the Ausseerland where you will pass landscapes looking like alpine pastures with high mountains around. In between are lovely little lakes and an old city which is called Bad Aussee. One of the highlights will certainly be the festival city of Salzburg with its old town, fortress and many restaurants and shops.
