Austria - Ten Lakes Family Cycling Tour (2025)

Individual Self- Guided

8 days / 7 nights or 7 Days/ 6 Nights

What is more amazing than cycling as a family through marvelous scenery and unspoiled nature? Very simple: to cool off afterwards in a crystal clear lake. There is lots of fun on offer in the Lake District around Salzburg, because not only one but ten lakes await you and want to be explored by you. Large lidos with excellent leisure activities, little adventures along the way like the high rope course in Seeham, and to top it off with the quietness of nature. But first you can contemplate the secrets of the famous city of Mozart Salzburg whilst enjoying some ice cream or a piece of Sachertorte. Cycling and swimming fun - you have a lot to look forward to in the Lake District around Salzburg!

Itinerary Day to Day

Day 1: Arrival in Salzburg

Arrival in the culturally rich City of Mozart. Regardless whether you stroll along the river Salzach with ice cream in hand, glance over the roofs of Salzburg high up from the hill 'Kapuzinerberg' or start with a shopping spree in the 'Getreidegasse': you can feel the wonderful flair, Salzburg simply oozes culture everywhere. No matter what age you are, Salzburg will enchant you! Welcome meeting and rental bike distribution.

Day 2: Salzburg – Holzöster/Dorfibm 30/45 km + train journey

After a short ride by regional railway, you autonomously start your family tour full of beans in Oberndorf (enthusiastic cyclists can ride to Oberndorf), birthplace of the most famous Christmas carol ever: 'Silent Night'. Then onwards along the lovely babbling river Salzach into the diverse nature of Austria's largest moor area: here the warm lakes Höllernersee and Holzöstersee with lido for families await. Just like a little Garden of Eden.

Day 3: Holzöster – Adventure Day or Circular tour to Burghausen 40 km

After a swim in the wonderful warm moorland lake, come and join the funny "Wanderbauerngolf" - a special kind of miniature golf along funny walking paths, played with wooden bats. Alternatively you can also go for another cycling tour along the river Salzach to Burghausen, a beautiful city with its very charming old town.

Day 4: Holzöster– Trumer Lakes 35 km

Here in the nature reserve, time seems to stand still. You cycle past the animal paradise to Michaelbeuern and from there into the Trumer-Lake district with its three crystal clear lakes, Lake Obertrumer See, Lake Mattsee and Lake Grabensee. This is the best place to cool off, have fun and relax in the glistening water after your cycling tour.

Day 5: Trumer Lakes, Adventure Day and Day of Rest

A cool jump into the water? Not just one but three massive lidos (entrance fee included) await you. Try the slide or the raft, this place has a lot to offer. However this is not all yet: you can experience the aerial adventure in the high rope course and swing as high as 35 meters (not open daily). Or you can do a short cycle tour along the Obertrumer See – swimming stop inclusive)

Day 6: Trumer Seen – Salzburg 35 km

You cycle along the awesome lake “Wallersee” with its beautiful lidos to Seekirchen and further to Eugendorf. From there you bike along the old Ischler Bahntrasse, a shutdown train path, to the city of Mozart: Salzburg. Now is the time to visit all the lovely attractions of one of the most beautiful cities in Europe.

Day 7: Departure or extra days

Today options for departure are all yours. Alternatively, how about you add an extra day and discover all of Salzburg’s secrets?

8 day / 7 night option:

Day 1 – 5 as in itinerary above

Day 6: Trumer Lakes – Lake Mondsee 45 km

You cycle through the nature reserve of the pretty Egelseen-lakes to Schleedorf, from there you continue along the sparkling Lake Irrsee all the way to Lake Mondsee. At the tranquil Lake Mondsee you will not miss out on swimming and fun, that’s a guarantee! During your cycling tour you get to taste typically Austrian cuisine, dishes such as Schnitzel and apple strudel, in one of the many inns.

Day 7: Lake Mondsee – Salzburg 40 km

The route leads you past lush meadows along the cycle path to Thalgau and onwards to Eugendorf. From here you continue on the tracks of the disused Ischler railway all the way to the river Salzach and then along the Tauern cycle path into the center of Salzburg. As a reward you can treat yourselves to a delicious ice cream or try the original Salzburg chocolates called ‘Mozartkugeln’ at the place of their creation. Be advised to take enough time for this city. There is so much to see: a visit to Mozart’s birth place, cathedral, Mirabell palace or the castle ‘Hohensalzburg’. The water fountains in Hellbrunn palace are a lot of fun too. The Hellbrunn Zoo is a must for all animal lovers.
