Austria –Ten Lakes and the Sound of Music Bike Tour (2025)
Individual Self-Guided
8 days/7 nights

What is lovelier than being out and about, cycling along the banks of lakes, and just letting your spirit soar in a marvelous natural landscape? The cycling tour through the Salzkammergut and the Trumer Seen lake area is wonderfully suited for this. Only a few kilometers beyond Salzburg, you will be greeted by the luxury of a unique natural panorama. The gentle, hilly landscape of Salzburg's alpine foothills has a charm all of its own. You will cycle through meadows and moorlands to Oberndorf - the place associated with the Christmas carol "Silent Night" - and also to the old imperial town of Bad Ischl. In a way, you will be travelling a whole world of clichés transformed into realities. The ten lakes round tour is active recreation, experiencing nature and enjoying many attractions, such as the Schafberg Mountain and the Orth castle.
