Itinerary Day to Day

Day 1: Individual arrival to the Radstadt

The cycling holiday starts in Radstadt. Check-in and you receive your travel documents for your bike tour and handover of your rented bike. Take your time for a stroll through the old town of Radstadt amidst beautiful scenery.

Day 2: Radstadt – Grobming 45 km

The River Enns is a narrow river at the beginning and towards Styria enjoy the breathtaking view onto the south walls of Mount Dachstein before cycling to Schladming, the location of the skiing world cup. The village broadens and now your cycle route continues leisurely with just one short climb to Grobming.

Day 3: Grobming – Admont 55 km

Cycling through the wide Ennstal valley, a splendid view of the Gesaeuse Mountain peaks opens up and a visit of the magnificent Benedictine Monastery with the world's largest library in Admont, is well worth visiting.

Day 4: Admont – St. Gallen 55 km

Today, along your bike route the valley becomes narrower. The water of the River Enns gushes out of narrow gorges of the National Park "Gesaeuse" flowing through the National Park Kalkalpen. The 20 kilometer long gorge is certainly one of Austria's most natural spectacles.

Day 5: St. Gallen – Großraming 45 km

Leave the impressive Fortress Gallenstein cycling in the direction of Upper Austria with the grand mountains and forests from the National Park Kalkalpen. Animals in danger of extinction like lynxes and eagles still live here. Use the included bus transfer for the drive-up to the Mooshöhe.

Day 6: Großraming – Steyr 40 km

The River Enns experienced its great commercial importance by trading iron. With rafts the rough ore was shipped to producers of pocket knives and this long past handcraft is shown in a museum.

Day 7: Steyr – Linz 50 km

Through the confluence of the River Steyr, the River Enns becomes a grand stream floating past the town of the same name. Enns is Austrian's oldest city already populated by the Celts and Romans. This period is shown in the Lauriacum Museum

Day 8: Individual departure

Individual departure – a return transfer by train to Radstadt can be booked.
