

Austria –World Heritage Trail Wachau Walking Tour (2025)
Individual Self-Guided
8 days/7 nights

Here in the Wachau area the Danube is even more beautiful than anywhere else. The mild climate and steep hills make it ideal territory for orchards and vineyards. Our hiking week leads through the long distance trail "World Heritage Trail Wachau" along the ridges of the Danube valley. On the varied walking routes you can enjoy magnificent views of one of Austria's oldest cultural landscapes with characteristic vineyards, apricot gardens and the impressive Danube stream in the valley. A varied walking tour leads past steep rocks, across soft hills and through aromatic vineyards. Little hamlets dot the landscape and apart from the famous wine, delicious apricot delicacies belong to the outstanding regional specialities.
