

Belgium - Romantic Cycling Around Bruges Bicycle Tour (2025)
Individual Self-guided
6 days / 5 nights OR 5 days/ 4 nights

Bruges is a nice town with surprisingly peaceful surroundings, the perfect place for a cycling trip! The best examples to describe the beauty of the region are the North Sea Coast or the typical polder landscapes. But, of course, Bruges is much more than a cycling destination. This town is also known as the 'Venice of the North' and is in many people's opinion the most beautiful Belgian city. Enjoy the small medieval town centre with its narrow canals, its numerous chocolate stores, its museums... Bruges has it all!

Tour 2: Damme and Knokke at the North Sea 59 km

On this tour, you will see the most picturesque villages of Flanders. A very popular example is Damme, because of the beautiful historic town centre. Many people visit Damme for the gastronomy and for the many interesting sights.

Tour 3: Lissewege and De Haan at the North Sea 52 km

Lissewege is a charming polder village, with a little canal flowing through the centre. The tour goes further to De Haan, a village which preserved the 'Belle Epoque' style (19th century) beautifully.

On this tour, we will cycle along the canal Bruges – Gent. A popular place of interest is the 'Van Male Abbey'. This abbey was once the main castle of the duke of Flanders.
