Itinerary Day to Day

Day 1: Arrival at Porec

Individual arrival at your hotel in Porec. We suggest a visit to the Euphrasian Basilica – listed as UNESCO World Heritage since 1997.

Day 2: Round trip Porec 35 km

Today's cycling day makes you explore the hinterland of Porec. First along the coast to the bathing resort Santa Marina di Vabriga and then to Vabriga. You leave the coast again and continue cycling in the inland to Visnjan and back to Porec.

Day 3: Porec – Vrsar – Limski Channel - Porec 40 km

Today you will cycle from Porec to the famous fjord-like Limski channel with its blue shimmering water. The Limski channel is a protected natural area and on its coasts you will find mussels and oyster breeding. Through the inland you will get back to Porec.

Day 4: Groznjan – Buje – Novigrad – Porec 55 km

You will reach the artistic village Groznjan today! Named the first time in 1102 it is today a meeting point for musicians from all over the world. During summer a lot of classical concerts with young musicians take place. In the second half of July you can join the festival "Jazz is back". In the end of September artists meet for "Ex Tempore" - performing arts. From Groznjan you cycle passing Buje downhill to the Adriatic coast and along to Novigrad (in Italian Cittanova). This medieval town is surrounded by a defensive wall and is seated at the mouth of the river Mirna. On your way back you will pass the cave "Jama Baredine" – a dripstone cave, before reaching Porec again.

Day 5: Motovun – Porec 45 km

After a short transfer in the hinterland of Porec the first stop is Motovun, a formerly important strategic point of the Venetians, invulnerable on the top of a steep hill. You may surround this medieval town and enjoy the breath taking view on the surrounded hilly landscape, the sea and the Mirna valley. Along the Parenzana you continue your ride to Vizinada from where you will see once again the impressive town of Motovun before going back to Porec.

DAY 6: Rest day by the beach

Today you can enjoy a rest day by the sea. Porec is home to some of the most beautiful beaches in Istria - from dreamy pebble beaches to fine white sandy beaches, Porec offers something for every taste.

DAY 7: Porec – Kanfanar - Rovinj – Pula (approx. 60 km)

After a transfer to Kanfanar you cycle in direction Rovinj, one of the most beautiful cities in Istria. Rovinj is surrounded in the west and the south west by the Adriatic Sea. Afar the high bell tower of the Euphemia Church built on the highest spot of Rovinj, greets you. In Fazana you have the possibility to visit with one of the boats the Brijuni-islands. Continue your cycling trip to Pula, the biggest city of Istria. Famous for the antique places of interest like the Amphitheatre! In the evening transfer back to Porec.
