

France – Luberon Bike Tour (2025)
Individual Self- Guided
8 days / 7 nights

This bike tour leads you through the Lubéron Mountains in the heart of Provence. The Lubéron has been declared a national park due to its unique countryside and scenery. Nowhere else will you find such typical Provence villages, so well described by Peter Mayle in his bestseller: A year in Provence. Medieval and colorful towns and villages like Cavaillon, Manosque, Apt, Isle sur Sorgue, Cucuron, and many more await you. Lavender fields and also the famous ocher mines around Roussillon.

Itinerary Day to Day

Day 1: Individual arrival to Avignon

Arrive individually in Avignon and settle down in your elegant 4**** hotel.

Day 2: Avignon - Cavaillon 57 km

At around 9:30 am it's your welcome meeting and you pick up your bikes. Then ride through the Little Crau countryside to Saint-Rémy-de-Provence, typical little town, and then along the Alpilles on to Cavaillon.

Day 3: Cavaillon – Lourmarin 40 km

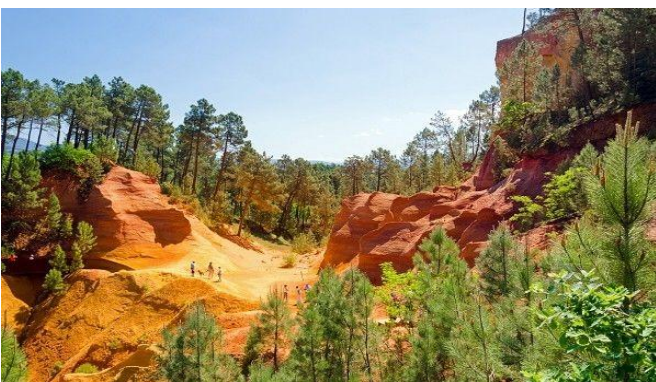

You continue on the south side of the Lubéron Mountains along the Durance valley and foothills and pass through typical villages like Mérindol, Lauris and Lourmarin and their vineyards.

Day 4: Lourmarin – Gargas 30 km

Beautiful landscapes accompany you on the way to Roussillon. Some of the villages you pass by are 'the most beautiful villages of France'

Day 5: Gargas – Isle sur la Sorgue 29 km

The tour leads you from the famous ocher rocks near the pretty village of Roussillon and its colorful houses to Isle sur Sorgue called the "Venice of Provence".

Day 6 Around Luberon 15-35 km

Today you have several options. You can either go to Gordes, or Fontaine la Vaucluse or ride to the famous abbey of Senanque surrounded by lavender fields

Day 7: Isle sur La Sorgue – Avignon 34 km

On little roads through the friendly Durance landscape and fruit plantations to Avignon. Take the time to discover down town Avignon with the famous 'Palais des Papes' or stay at the hotel and relax a bit at the swimming-pool.

Day 8: Departure

Departure or lengthen your stay in Provence or Paris.

Headwinds and hills are no longer barriers to your enjoyment on a cycling holiday. Our recent fleet of 7 speed electric bikes

from Flying Cat, with their comfortable step through unisex frames is comfortable and suitable for all of our tours. A full charge takes around 5 hours and depending on the terrain, the wind, and how you use it should last up to 60kms. The bikes have standard front and rear V brakes (so no pedal brake).

Assisting people in realizing their touring dreams worldwide is our passion.
