Germany -Moselle Thrilling Ride Ahead Bike Tour (2025)
Individual Self-Guided
6 days / 5 nights

Allow yourself to be inspired to an enjoyable cycling trip by the Moselle valley. Follow the unconventional loops of the River Moselle in a brisk ride with daily stages of 40-56 km. As the bike course is completely flat, you will have enough time for all the wonderful sights, for the historical places and cities, for the 2000 year old history, for interesting museums, for small boat cruises and of course for many worthwhile stops in the pretty little wine villages.

Itinerary Day to Day

Day 1: Arrival Trier

You should take your time for the visit of the historical centre, the Kaiserthermen (imperial thermal baths) and the Porta Nigra (Arrival possible by German railway/parking site and rental bike at the hotel).

Day 2: Trier - Piesport 48 km

Today, Roman past and contemporary viniculture will meet. The Moselle bike trail leads you to Mehring, where the Villa Rustica waits for your visit. 'Villa Rustica' is the designation for a manor in the Roman Empire. Today, the reconstructed walls and foundations can be visited again. You will now cycle to Trittenheim, where a nature trail informs about the many years of the vine grower, the local variety of grape and the process of vine growing. Just before reaching today's destination, you will pass Neumagen-Dhron, Germany's oldest wine growing place! You should stop here to taste some of that wine!

Day 3: Piesport - Traben-Trarbach 40 km

The two famous Moselle towns Bernkastel-Kues and Traben-Trarbach and the well-known wine growing resort "Kröver Nacktarsch" are today's highlight! Marvel at the colorful and manifold half-timbered constructions seaming the market place of Bernkastel-Kues. In Traben-Trarbach, you should take a boat trip.

Day 4: Traben-Trarbach - Cochem 55 km

You will discover Enkirch today, a jewel of the Moselle region's traditional half-timbered architecture. Later on, you will reach Zell, the wine growing resort with the 'Zeller Schwarzen Katz' ('The Black cat of Zell'). Take a relaxing break in the small town of Beilstein, proud of its surname "Rothenburg an der Mosel". Then, you will reach Cochem with its picturesque centre and the ancient realm dating from the 11th century.

Day 5: Cochem - Koblenz 49 km

Before the Moselle bike trail takes you to the neat wine growing villages like Koblenz or Winningen and to the Deutsche Eck, you will have the chance to visit the medieval castle of Burg Eltz. Enjoy the wide view over the magnificent valley of the Rhine and be looking forward to a wonderful evening in Koblenz.

Day 6: Koblenz departure

Your bike trip ends in Koblenz today. Saying good-bye is never easy, especially not to the winding Moselle bike trail. Anyone who wishes to travel back to Trier should book our shuttle transfer. It will transport any luggage and the bikes as well. Departure will be at 9a.m., arrival in Trier around 11 a.m.

Route

Technical Characteristics:

Route Profile: Easy. The quality of the bike trail is very good. There are practical no unpaved or poorly developed path. The route runs almost exclusively on paved roads and is very well signposted. The volume of traffic varies, but between Trier and Cochem there is almost always a separate bike trail on the right or left shore side, off the main road. Only during your last day you have to cycle a section on a wide bicycle lane next to the main road.

Distance: 192 km

Travel Season: Departures daily from April 11 – October 17

Season 1: April 11 – April 17 and October 10 – October 17

Season 2: April 18– May 15, June 20- August 14 and September 26-October 9

7 speed tourer

27 speed tourer

We would recommend the 7 speed tourer for all those that are looking for a back pedal brake and wide gel seat for maximum comfort in an upright sitting position. It is equipped with a simple hub gear shift and is perfectly suited to tours on flat to slightly hilly terrain. The 27 speed tourer is the best choice for cyclists that value the advantages of the dérailleur gear shift for flexibility whilst going up and down hills.

E-bike

Assisting people in realizing their touring dreams worldwide is our passion.
