## **Day by Day**

### **Day 1: Individual arrival in Trier**

Your starting point is known as the oldest city in Germany. Many Roman monuments surround you. Your personal greeting and bicycle collection will take place in the evening.

### **Day 2: Trier – Leiwen Bicycle tour, approx. 38 km**

Before you start your bicycle tour, you should definitely take some time to visit the well-known Amphitheatre and the Porta Nigra. Here, you can experience 2000 years of history in person. You will start your bicycle tour along the lovely Moselle river. An educational trail for wine will inform you about local varieties of grapes. You will quickly reach today's goal, Leiwen.

### **Day 3: Leiwen – Neumagen-Dhron Hiking tour, easy, approx. 14 km**

You will continue your tour on foot. The hike on the Moselsteig trail promises a fascinating landscape and nature experience. Vineyards, cliffs, forests and animal enclosures will accompany you throughout the day. The views across the Moselle valley are sensational and trump all expectations. Your goal today is Neumagen-Dhron, the oldest wine region in Germany.

### **Day 4: Neumagen-Dhron – Traben-Trarbach Bicycle tour, approx. 47 km**

You will soon reach Piesport, where you can visit a Roman wine press complex from the 3<sup>rd</sup> century. You will then continue on to Bernkastel-Kues, where the many small alleys and the colourful half-timbered houses are sure to impress. Be sure to try the famous 'Bernkasteler Doctor'. Your bicycle tour will then lead you through the wine-growing region of 'Kröver Nacktarsch' (Kröv's Bare Butt). Once in Traben-Trarbach, you will have successfully completed today's tour. In the evening, a small wine tasting awaits you.

**Day 5: Traben-Trarbach – Beilstein – Cochem Bicycle tour, approx. 46 km + boat**

Today you will again be accompanied by many vineyards on both sides of the Moselle. You should take a short break in Enkirch, a real gem in terms of Moselle-region half-timbered architecture. Continuing along the Moselle, you will soon reach the next well-known wine-growing region, the 'Zeller Schwarze Katz' (Zell's Black Cat). Your bicycle tour ends in Beilstein, also known as the Rothenburg by the Mosel. From there, you will take the Moselle ship to Cochem. You should definitely visit the charming town centre and the Reichsburg, the 11<sup>th</sup>-century imperial castle.

**Day 6: Cochem – Winningen Bicycle tour, approx. 43 km**

It is definitely worth making a quick side trip to the medieval Eltz castle, which is undoubtedly one of the most beautiful and well-preserved complexes in Germany. Nestled in nature, it looks like something out of a fairy tale and offers breath-taking views. Back on the Moselle cycle route for the final stage of your bike tour, you will again pass numerous picture-perfect wine-growing villages. One of these is Winningen, where you will spend the night.

**Day 7: Winningen – Koblenz Hiking tour, medium, approx. 15 km**

Today, you will again change to another means of transportation. Your bike will stay behind in the garage while you hike through vineyards, green meadows and numerous orchards. The route will take you over the so-called Witch's Hill, a former place of execution above Winningen. Koblenz marks the end goal of your active holiday. The town centre lies at the confluence of the Moselle and the Rhine and is a wonderful place for a stroll. As a highlight to mark the end of your tour, we have planned a visit to the Ehrenbreitstein fortress for you, including a cable car ride.

**Day 8: Individual Departure, Transfer Service or Extensions**

Your holiday ends after breakfast. We would be happy to book an extension for you. Our transfer service in the bicycle bus is also very comfortable and can be availed of at any time.

**Route**

Approx. 174 km Cycling and approx. 29 km Hiking

For the most part, the Moselle cycle route is on paved and asphalted streets and cycle paths. There are only a few short passages which will involve some more traffic. The Moselle cycle route is very well signposted throughout and also highly suitable for beginners.

The hikes follow the famous Moselsteig trail. We have chosen easy to medium-difficulty trails which beginners will also be able to manage.
