Itinerary Day to Day

Day 1: ARRIVAL IN LAKE Bled

Your selected hotel is located in the town center. Bled is renowned for its stunning scenery, featuring a picturesque lake, a castle perched on a rock above the water, and a charming pilgrimage church on an island. A must-try is the delightful cream cake "Kremšnita" – indulge in this treat on a sunny day at the terrace of the Park Hotel.

TOUR A: BLED – SIGHTSEEING (15 km).

Spend your first day leisurely exploring Lake Bled. Start by cycling around the lake and up to the castle. Then, hire a rowing boat or enjoy a ride in a traditional Pletna boat to visit the island church. For the best photos and views of the lake, castle, and Karawanke range, make your way up to Osojnica.

Continue to the beautifully preserved old town of Radovljica, home to an interesting beekeeping museum and a delightful ice cream shop. On your way back to Bled, pass by the Sobec camping site, where you can relax and cool your feet in the fresh water of the little pond.

Today's adventure begins at the less-visited Pokljuka Gorge, formed 10,000 years ago at the eastern edge of the plateau. Leave your bike behind and take a stroll through ancient woods and a fossilized ravine left by a retreating glacier. Next, head to the stunning Vintgar Gorge, carved 150 meters deep into the mountains by the Radovna River, culminating at the Šum Waterfall. Before returning to Bled,

take a short detour to St. Catherine's Church, where you can enjoy lunch with a panoramic view of Bled Castle as your backdrop.

From the village of Ribčev Laz, enjoy a serene panoramic trip on the lake by electric boat. Return to Bled via a spectacular new cycleway along the Sava River.
