Spain - Majorca – Trans Tramuntana Hiking Tour (2025)
Individual Self-Guided
8 days/7 nights

'La Luminosa', the enlightened, is the Spanish name for Majorca. The largest of the Balearic Islands has many hidden secrets and shows them off to her best advantage. Explore the tranquil core of Majorca the wild Serra de Tramuntana with walking paths over rocks and past scattered, sun drenched oaks. Across olive groves to picturesque villages with manor houses and castles. Again and again you will enjoy marvellous views of the sea and small islands. Sun, beach, sea and recuperation are the strong points of the idyllic coastal villages.

Itinerary

Day 1: Individual journey to Port Alcúdia

Day 2: Coastal walk on the peninsula of Alcúdia 15 km + 690 m – 820 m

One of the most beautiful paths stretches between the bay of Pollença and Alcúdia. You follow the coast and climb a stunning rocky peak. On winding paths with incredible panoramic views you cross soft hills back to the historic town Alcúdia and finally to the promenade of Port Alcúdia.

Day 3: From Port Alcúdia to Monastery Lluç 13 km + 600 m – 220 m

Short transfer to Pollença, where you join the historic pilgrim path to Lluç. With the high summits of the Serra de Tramuntana in full view, you walk up onto the pass past Puig Tomir. Shady stone oak forests, orchards and rough meadows compose a varied scenery. Connoisseurs walk through the botanical garden of the monastery.

Day 4: Pilgrim path Cuber Reservoir 15 km + 880 m – 590 m

In the morning transfer to Cuber Reservoir where you join a further stage of the pilgrim path to Lluç. You walk high up into the Serra and on passes down to Lluç. An interesting scenery with high grass, rocks and crossings that resemble high alpine territory lies ahead of you. The sunny vistas on the steep rock coast and fertile valleys certainly belong to the most marvellous sights Majorca has to offer. Return to monastery Lluç for another overnight stay.

Day 5: From monastery Lluc to Port Sóller 12 km + 300 m – 990 m
You will walk along the Cuber reservoir to the L'Ofre pass where a superb panoramic view of the Serra de Tramuntana peak is waiting for you. You take the winding path up to the Es Cornador peak where you can enjoy the view into the distance across the coast and to Palma. On your way to Sóller you will walk along the well-known panoramic path through the Biniaraix gorge, which is one of the nicest landscapes in the Tramuntana Mountains. You will reach the lively centre of Sóller by walking alongside beautifully scented orange plantations. By taking the old tram, you will get to the Port de Sóller.

Day 6: Coastal path from Deia to Sóller 12 km + 300 m – 430 m

Transfer to the artists' village – Deia. You will start today's walk from Deia bay and you will head along the wildly romantic rocky coastline towards Sóller. You can expect a diverse route with great views and numerous quiet places to sit back and relax. In a Finca's flourishing garden, high above the Sóller valley, you can refuel with some freshly squeezed orange juice and a tasty piece of cake before you end your day's walk by walking along Port de Sóller's promenade.

Day 7: From Port Sóller to Playa de Palma 13 km + 10 m – 40 m (Palma) + 370 m – 360 m (Fornalutx)

By retro railway through the valley of oranges into the bustling capital Palma. Stroll through the lively alley ways and to the impressive cathedral before walking along the beach promenade to the Playa de Palma. Alternatively we recommend a walking tour to Fornalutx, into Mallorca's most beautiful village. You walk along olive groves, almond trees and fragrant orange groves through the green and fertile valley of Sóller.

Day 8: Individual departure or extra days
