### Itinerary Day to Day

#### **Day 1: Arrival at Segovia**

Arrival in the ancient city of Segovia, situated in the heart of central Spain.

#### **Day 2: City tour of Segovia**

This fabulous walking tour of Spain begins in the monumental city of Segovia, declared a UNESCO World Heritage Site in 1985. You will spend the first night in the city and have a chance to explore its many historic jewels like the towering Roman Aqueduct, a veritable marvel of ancient civil engineering which still provided water to the city only last century. Take time to enjoy a chilled glass of wine at the exquisite 'Plaza Mayor' while contemplating the magnificent cathedral, then take a stroll to the fairy-tale, ornate Alcazar, where queen Isabel sent Christopher Columbus on his exploration of the Americas.

#### **Day 3: Riverside walk to Valsain 10 - 17 km + 390 m**

A short transfer to the historic town of San Ildefonso. Your route today is a circular walk along the banks of the river Eresma as it meanders through the tranquil pine forest. You'll pass through the typical mountain village of Valsain where the local woodcutters, cow herders and horsemen maintain ancient traditions with a modern twist!

#### **Day 4: Circular walk to El Chorro waterfall 11 km + 464 m**

Today you will come upon the refreshing pools of the 'El Chorro' waterfall as you pass through the oak and pine woodland on the slopes of Penalara. You can combine your walk with a visit to the magnificent palace of San Ildefonso, surrounded by rustic gardens and ornate fountains, and the interesting glass making exhibition and museum, well worth a visit.

#### **Day 5: Walk along the foothills 16 km + 420 m**

Today's transfer takes you to Pradena to walk along ancient drover's tracks taking you through sweet scented juniper forests to the traditional little mountain village of Gallegos.

**Day 6: Walk amongst sunflower fields towards Sepulveda 16 km + 420 m**

From the mountains another short transfer takes you north towards the plains of Castile, to follow a GR route through picturesque fields of cereals and sunflowers. You then descent into a gorge with towering limestone cliffs, home to a multitude of birds and other wildlife. You will spend the last two nights in the ancient hill top towns of Sepulveda.

**Day 7: Circular walk Duraton Canyon 16 km + 367 m**
