Itinerary Day to Day

Day 1: Arrival at Lucerne

Day 2: Tour at Lake Lucerne 50 km + boat

This tour leads over some smooth hills next to the lake from where you have wonderful views on Lake Lucerne and the famous mountain pasture Rigi. Green meadows and calm streets make the city seem very far away. After some kilometres you reach Küsnacht with its lake promenade and continue to Weggis where the ship brings you to the other side of the lake. From here you cycle to the peninsula Horw, from where it is easy to cycle back to the city.

Day 3: To the Werthenstein monastery 51 km

From the town centre of Lucerne you go through a small village called Emmenbrücke and up to a small quiet hill, where you find many beautiful farm houses. There are some ups and downs in this part but you have a lovely view on the close mountain panorama. After some time you reach the Werthenstein monastery and from here you roll smoothly back to Lucerne.

Day 4: To Sursee 54 km

Today's goal is the picturesque town of Sursee situated on the shore of Lake Sempach. You cycle past small villages on calm streets and past farms and meadows until you reach the lake. Sursee is a perfect spot for a lunch break. Take your time to walk through the lovely town centre and try some Swiss specialities. The way back leads on the shore of the lake.

Day 5: Visit Lake Zug 48 km + boat

The first part of this route is already known from the first day's tour. As soon as you reach Küsnacht you make your way to Lake Zug and go on a boat tour to the city of Zug. From here you cycle along the shore until you reach a quiet path back to the city of Lucerne.

Day 6: To castle Heidegg 54 km

You go past Emmenbrücke to find Lake Baldegg, which is a wonderful nature sanctuary. Next to the lake you can visit castle Wildegg with its beautiful garden. You may visit this castle before you cycle one last time back to your hotel.
