Austria – Slovenia - Hungary – Bike and Relax Bike Tour 2022
Individual Self-Guided
7 days/6 nights

Slovenia knows how to captivate visitors with its originality and beauty. It is an experience you will never forget! Slovenia is the meeting point of the Mediterranean, Pannonian and Dinaric worlds. It offers extremely diverse scenery due to the variety of landscape and all can be managed by bicycle. The tour leads you along seemingly endless sunflower and cornfields. You will find quaint and charming villages and will be amazed by their wonderful, yet simple way of life. Excellent wines and culinary highlights will further enhance this experience.

Bikes

Hybrid Bike (including pannier)

You can choose between the following bike types:

21 speed touring bike (men's or women's frame)

7 speed touring bike with back pedal brake (upon request) (men's or women's frame)

All bikes are equipped with a Shimano Alvia derailleur gear, Shimano-V-brake, 28 Zoll rim and a comfortable touring saddle.

E-BIKE

The electro bike is equipped with a Shimano 8 speed system. You will use a 10 ampere battery for total enjoyment. With an E-bike every bike tour is a breeze! If you had few opportunities to cycle over the last weeks or if you are not sure about your fitness or have physical limitations, every bike ride is a treat! The shiftable, low noise electric drive of our modern electro bike relieves you of some of the work and increases the pedal force up to 3 times ... So you can now book a bike tour together with cyclists who have different fitness level. Acclivity can be handled easily.

Assisting people in realizing their touring dreams worldwide is our passion.
