Itinerary Day to Day

Day 1: Individual arrival in Innsbruck

Check in and you received your travel documents as well as handover of your rented bike. Take your time strolling through the vibrant city in the Alps with its famous “Goldenen Dachl” (golden roof).

Day 2: Innsbruck – Zillertal Valley 45 km

Leave the capital of the Tyrol behind you cycling through lovely villages and places until you reach the access of the Zillertal Valley. Enjoy the breathtaking mountain scenery along your bike route and take your time to explore the old town of Hall and the well-known world of the Swarovski crystals.

Day 3: Zillertal Valley - Kufstein 35 km

Numerous medieval fortresses and castles are along the cycle path until you reach the lovely village of Rattenberg. Visit the Tyrolean Museum of farmhouses in Kramsach, before cycling to Kufstein.

Day 4: Kufstein - Rosenheim 35 km

Enjoy cycling away from the magnificent fortress of Kufstein towards the Bavarian foothills of the Alps. The River Inn is now getting broader floating in direction of Rosenheim, in antique times already a commercial centre of the Chiemsee region.

Day 5: Rosenheim - Wasserburg 30 km

Predominantly your bike tour leads along the dam, partly through lowland forest before you cycle to Wasserburg. The special location in a river loop makes the cityscape so unique. Wasserburg, with its historical old town, picturesque facades and narrow lanes certainly is one of the most beautiful cities along the River Inn.

Day 6: Wasserburg - Muhlendorf 50 km

The cycle path to Muhlendorf leads a bit outlying of the River Inn through lovely farmland, small villages and great high grounds. Typical for Muhlendorf is the long drawn out square with its beautiful town houses.

Day 7: Muhldorf – Kirchdorf/Inn 45 km

Take your time to visit two of the most popular pilgrimage sites along your bike route to Braunau. Altotting is Bavaria's most important pilgrimage place and Marktl birthplace of Pope Benedict XVI. Before cycling in Kirchdorf/Inn, well worth seeing is the breath taking city of Burghausen with Europe's longest fortification.

Day 8: Kirchdorf/Inn – Bad Fussing 35 km

Your cycle route leads through the impressive European reservation of the Lower River Inn with its rich collection of bird species and flora before you reach Bad Fussing offside the River Inn. Enjoy this great health and spa resort.

Day 9: Bad Fussing – Passau 40 km

Along your cycle route to Passau picturesque baroque towns invite you for a visit: Obernberg with its lovely market square, the magnificent Monastery Reichersberg and Scharding with its famous Silberzeile. A confluence of River Inn and River Danube rewards Passau as one of Germany's most beautiful cities.
