Austria - Germany - The Inn Valley Cycle Path Classic Bicycle Tour (2025)

8 Days/ 7 Nights

Individual Self-Guided

Follow the lovely River Inn cycling in a relaxing pace away from the Tyrolean Mountains, through Upper and Lower Bavaria towards the Upper Austrian Innviertel by the Danube. Mostly flat, partly hilly your cycle route leads through historical cities and picturesque villages: Innsbruck capital of the Tyrol, the fortification in Kufstein and Burghausen, historical trading places and the beautiful baroque town of Obernberg and Schärding as well as the Three River City of Passau.

Itinerary Day to Day

Day 1: Individual arrival in Innsbruck

Check-in and you receive your travel documents as well as handover of your rented bike, if booked. Take your time strolling through the vibrant city in the Alps with its famous "Goldenen Dachl" (golden roof)

Day 2: From Innsbruck to Kufstein, approx. 50 km+ train ride

Leave the capital of the Tyrol behind you cycling through lovely villages and places until you reach the city Kufstein. Enjoy the breathtaking mountain scenery along your bike route and take your time to explore the old town of Hall and the well-known world of the Swarovski-Crystals.

Day 3: From Kufstein to Wasserburg, approx. 65 km

Leave the mighty castle of Kufstein behind you, you can now cycle into the Bavarian foothills of the Alps. Mainly on the dam, partly in floodplain forests the cycle tour leads you along the Inn to Wasserburg. The special location in the river bend results in a unique cityscape. With its historic old town, beautiful facades and narrow streets, Wasserburg is certainly one of the most beautiful towns on the Inn cycle path in Bavaria.

Day 4: From Wasserburg to Mühldorf, approx. 50 km

The cycle path to Mühldorf leads a bit outlying of the River Inn through lovely farmland, small villages and great high grounds. Typical for Mühldorf is the long drawn-out square with its beautiful town houses.

Day 5: From Mühldorf to Kirchdorf/Inn, approx. 45 km

Take your time to visit two of the most popular pilgrimage sites along your bike route to Braunau. Altötting is Bavaria's most important pilgrimage place and Marktl birthplace of Pope Benedict XVI. Before cycling to Kirchdorf/Inn, well-worth seeing is the breath-taking city of Burghausen with Europe's longest fortification.

Day 6: From Kirchdorf/Inn to Bad Füssing, approx. 35 km

Your cycle route leads through the impressive European reservation of the Lower River Inn with its species rich bird world and flora before you reach Bad Füssing offside the River Inn. Enjoy this great health and spa resort.

Day 7: From Bad Füssing to Passau, approx. 35 km

Along your cycle route to Passau picturesque baroque towns invite you for a visit: Obernberg with its lovely market square, the magnificent Monastery Reichersberg and Schärding with its famous Silberzeile. A confluence of River Inn and River Danube rewards Passau as one of Germany's most beautiful cities.

Day 8: Individual departure or extra nights

Return transfer by train to Innsbruck (included) – transfer of own bike is not included
