

Portugal - Portuguese Camino de Santiago Hiking Tour (2024)
Individual Self-Guided
14 days/13 nights

The Portuguese Camino de Santiago has been one of the main pilgrim routes to Santiago for centuries. Set out on a journey of discovery, not only of the country but of yourself as you follow in the footsteps of countless pilgrims and walkers. The long days of walking are physically and mentally challenging and rewarding but there's no need to punish yourself by carrying all your gear or sleeping in overcrowded smelly dormitories. Our way of doing the Portuguese Way of St. James on foot involves luggage transfers and comfortable beds in the best establishments along this historical route. These carefully chosen fine hotels, charming country houses and historic buildings bring you closer to the history, culture and gastronomy of this region of Northern Portugal and Galicia.

* On the second day, in Oporto, after breakfast you will meet a member of our team who will drive you until the small village of “Vilar do Pinheiro” to start walking. With this you avoid the busy roads through urban areas of the cities of Porto and Maia and their suburbs. If you wish you can start walking in Oporto – contact us for more information.

Day 3: Arcos - Barcelos 20 km

The day starts by crossing the River Neiva by a medieval bridge just before the village of Balugaes. This is a day of rural roads and magnificent countryside until your spectacular entrance into the picturesque town of Ponte de Lima. Time your walk so that you have ample opportunity to enjoy the historical center and gardens or just sit by the river for a while.

Day 6: Ponte de Lima - Cossourado (Paredes de Coura) 22 km

Leave the medieval town of Ponte de Lima and return to the rural world. In the middle of this stage you will encounter Labruja Mountain. The 2 kilometer uphill climb is the most demanding of the whole Portuguese Way of St. James but the views are worth the effort. Once you're over the hill, it is an easy walk to complete this stage.
